

Let your driver know well in advance of your desired stop.

**Riding the Bus**  
After paying your fare, move to the rear of the bus. Keep front seats available for elderly or disabled passengers, or passengers with small children. Remain seated until leaving the bus; if you must walk on a moving bus, hold on to the stanchions or seatbacks.

**Have exact fare, token, or bus pass ready.** Bus drivers do not carry change. Riders must show their monthly pass every time a bus is boarded.

**Boarding the Bus**  
Allow passengers to exit the bus before you board.

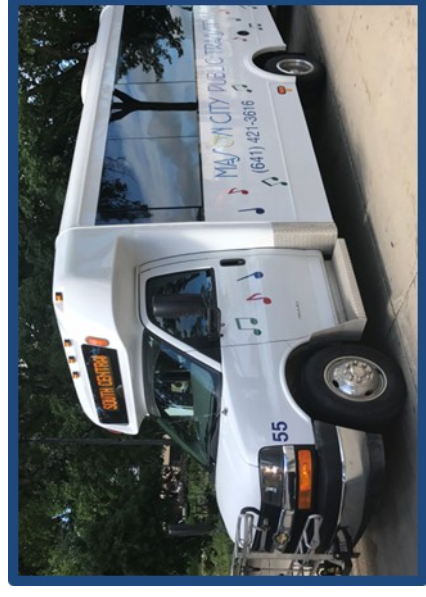

**Waiting for the Bus**  
Mason City Public Transit will stop at most intersections along the route. Signal as the bus approaches to ensure that the driver knows you want to ride the bus.

**Track Your Transit Bus**  
Never miss the bus again! Mason City Public Transit now offers Real-Time GPS Tracking on all of their buses. There is no longer a need to wait in the cold or wonder when the bus will arrive. You now have the ability to watch your bus approach your stop with up to the second GPS tracking.
