### Considerations on Travel During the COVID-19 Pandemic

We could all use some time off. Before arranging travel plans, please take time to read and understand the Centers for Disease Control and Prevention's considerations on travel during the COVID-19 pandemic. Not all travel plans are equal, and not all states have the same rules and regulations. It is important to take every precaution necessary to keep yourself, your family, and others safe when traveling during the COVID-19 pandemic.
