A status report of monitoring and testing of COVID-19 in Iowa, including county-level data, provided by the Iowa Department of Public Health can be found at <https://coronavirus.iowa.gov/#CurrentStatus>.

Iowa Department of Public Health Data Update

During the weekend of Sept. 26-27, a data update occurred that added nearly 27,000 antigen test results from newly required surveillance testing at long-term care facilities. This update resulted in an increase in the number of individual test results and the number of antigen tests currently reported on the coronavirus.iowa.gov website.
