YOUTH SPORTS

Nathan Bond 2024 Coach of the Year Sportsmanship Awards in Spring Soccer & T-Ball

I am honored to receive the 2024 coach of the year award. I am grateful and blessed to have the opportunity to coach my children and their friends in their different sports. I enjoy getting to know the players and their families, and watching the children grow throughout the years.

I enjoy being a part of something that is so fun for the players, but also teaching them life lessons they don't realize yet.

I continue to be amazed each season by the participation of not only the kids, but the families as well. I would like to say thank you to not only the kids for making coaching so fun, but to the families and the Parks and Recreation Department. Sports and extra-curricular activities take time and sacrifices from everyone involved- parents, volunteers, referees, etc. and it would not be possible without each and everyone on of them.

I continue to see growth in each sport I coach, which only reaffirms the importance of these programs in our community. I look forward to being involved in Parks and Rec for many years to come.

Volunteer Coaches

Volunteer coaches are needed for each youth sport. Volunteers may request to coach with ONE other coach in order to work out personal schedules. If you are

interested in helping, please fill out a coach's application online or at the Recreation Office. **Coaches must attend the appropriate coach's meeting (times and dates to be announced) and become certified through the National Youth Sports Coaches Association (NYSCA).**

No Coach Policy

All of the MC Recreation Dept.'s Youth Sports Programs rely heavily on Volunteer Coaches to coach. **If a volunteer does not step forward to coach, staff will arrange practices and parents will be responsible for games.** Your child's sports experience may not be as enjoyable as if you or a volunteer coach were coaching full-time. A parent's meeting will be held and parents will sign-up for game dates.

All persons with disabilities or physical or mental impairments are welcome to register to participate in any program or activity. Please contact Brian Pauly, bpaul@masoncity.net & 641-421-3673 to discuss any proposed reasonable accommodations you may need.

Highland Park is a municipal golf course operated by the Parks & Recreation Board
Director of Golf - Nick Largent
Grounds Superintendent - Eli Mc Gallian
Supervised by Recreation Superintendent - Brian Pauly

Highland Park Golf Course

The golf course is comprised of two very distinct nines. The par for 18 holes is 72 with total yardage of approximately 6,200 yards. The front nine is the older of the two nines and has small greens with tight, tree lined fairways. The back nine has large greens and open fairways. Both nines have automatic watering systems and some of the best putting surfaces in the area.
